## **BACKGROUND & CORPORATE INFORMATION**

IGE GLOBAL SERVICES Limited is a wholly indigenous company that specializes in engineering, procurement, construction, installation & Commissioning (EPCIC), operations, Project Management, Real Estate & investment management, Executive Advisory, Auditing & preparation of companies for ISO's Auditing, (Technical consultancy) - Technical Bidding support, Technical contract scoping and clarification for EPCIC projects, Technical specification clarification for EPCIC projects, Process safety Engineering, Technical safety Engineering, Hazip and Bow Tie Analysis, Hazop Analysis and technical consultancy, Trainings, Auditing & preparation of companies for ISO Auditing, Manpower supply, logistics services, materials & equipment supply, and inspection and surveillance services for the oil and gas sector and the public sector respectively. The company has an authorized and paid-up share capital of N1,000,000.

It is the vision of the Nigerian government to get local companies actively involved in the oil and gas industry / public sectors consultancy services and the desire of the country to be totally dependent on local companies to provide quality and world class services for the oil and gas/ energies sector.

Our sole desire therefore, is to provide world class solution to the oil and gas / energies industry in the consultancy space. This has led us to narrow our area of operation to some specialist field where our impact will be felt in this sector as contributing to the overall development of Nigeria. We are located in Port Harcourt, Rivers State Nigeria.

We are a major supplier of a range of public sectors, oil, Gas and Energy equipment & materials. We are also in partnership with original Equipment Manufacturers (OEMs).

We are registered with various regulatory agencies in the oil, gas and energy sector, the Nigerian Upstream Petroleum Regulatory Commission (NUPRC) in several categories, the Nigerian Content Development & Monitoring Board (NCDMB), Bureau of Public Procurement (BPP), Industrial Training Fund, Nigeria (ITF), Nigeria Social Insurance Trust Fund, (NSITF) We are also listed on the Nigerian Petroleum Exchange (NIPEX) portal etc.

We have a team of experienced and highly motivated professionals that have all it takes to withstand the challenges in the oil, gas and energy and the public sector.

Engr. Dr. Adhekovwigho Emuejevoke (Managing Director/ Chief Executive Officer) IGE Global Services Limited - FNSE, FNIFENGM, FHSGU, MNICE, MNGA, MNISAFETYE, MWEQG, MAPWEN, MWIMBIZ, Certified Executive Advisory [CEA]

# **OUR MISSION STATEMENT**

To be a wholly indigenous leading oil, gas, energy, and public servicing company delivering quality, efficient, and cost-effective services through well-trained, highly motivated Nigerians, leveraging the latest innovations in an environmentally friendly and sustainability manner to generate superior stakeholder returns in line with Global practice.

At IGE Global Services Limited, our core values guide every aspect of our civil and structural business model, fostering trust and excellence in our consultancy:

- Integrity: We uphold ethical standards in all dealings, ensuring transparency in bidding, execution, and reporting.
- Innovation: Embracing cutting-edge technologies like BIM (Building Information Modeling) for structural design to optimize project outcomes.
- Safety First: Zero-tolerance for risks, with rigorous adherence to ISO 45001 standards in all civil works consultancy.
- Sustainability: Prioritizing eco-friendly materials and practices to minimize environmental impact in structural projects.
- Client-Centricity: Tailoring solutions to meet unique client needs, building long-term partnerships through reliable delivery.
- Excellence: Committing to quality that exceeds expectations, backed by continuous training and process improvements.

These values are embedded in our operations, differentiating IGE in competitive contract bids.

## **IGE GLOBAL SERVICE LIMITED COMPANY PROFILE**

# **OUR VISION**

To be a world class service company with global unique excellent and quality service appliance in line with global standards in the oil, gas and energy and the public sector in our consultancy services.

# **OUR VALUES**

To demonstrate a high level of integrity and honesty and to take responsibility for all our actions in all our operations and dealings in the consultancy space.

To adopt and ensure a teamwork approach in a safe and responsible manner while meeting our commitments.

IGE's business model for civil and structural contracts consultancy emphasizes a value-driven, integrated approach to secure and execute projects: Targeted Bidding: Focus on oil & gas, energy, and infrastructure tenders via platforms like Niger Delta Development Commission (NDDC) and federal procurement portals. Partnerships: Collaborate with multinationals (e.g., Renaissance, Shell, TotalEnergies, etc) for joint ventures, leveraging our 100% local ownership. Innovation Integration: Use digital twins and AI for structural simulations to reduce costs by 15-20%. Risk Management: Implement fixed-price contracts with contingency planning, backed by performance bonds. Growth Roadmap: Expand into green civil works (e.g., solar farm foundations) to tap sustainable funding. Marketing: Showcase case studies at industry events like Nigeria Oil & Gas Conference to build credibility in the consultancy services space. This strategy ensures competitive edges in pricing, timelines, and quality, positioning IGE to win 20% more contracts annually.

# **QHSE POLICY**

## **IGE GLOBAL SERVICE LIMITED COMPANY PROFILE**

# **QHSE Policy**

It is the policy of IGE global services limited to render services of consistently high quality that meets our clients' requirements and expectations at all times. Our consultancy operation shall be consistent with public good and shall comply with all applicable laws and regulations.

We are committed to the health and safety of our employees, clients and this is among important considerations in any company operations we partner with.

It is therefore IGE global service policy to provide a place of employment which endeavors to reduce or remove as far as reasonable, recognized hazards, provide incidents, accidents prevention system and awareness.

To comply with applicable national/international reputations, recognizing that safety hazard awareness & preventive are operational responsibilities.

The policy requires all employees / partners to apply the company's guideline & procedure on safety.

IGE global services' safety record will be a measure of the philosophy of this policy.

Joackim Ogbeide C QHSE Manager

## **The Process**

Our streamlined process for consultancy of civil and structural contracts guarantees efficiency from inception to completion: Tender Submission: Analyze RFPs, submit tailored proposals with BOQs (Bills of Quantities) and timelines. Pre-Construction: Site surveys, FEED (Front-End Engineering Design), and permitting. Execution Phase: Mobilization, fabrication/installation, with weekly progress reporting via dashboards. Quality Assurance: Third-party inspections and HSE audits at key milestones. Handover & Closeout: Commissioning tests, as-built drawings, and defect liability period. Post-Project Review: Lessons learned to refine future bids. This 6-stage process, supported by PMBOK methodologies, minimizes delays and maximizes client satisfaction.
